

20th September 2024

HALL - A

Session 1: CVJ-I

Moderators: **Dr. I. Babji Syam Kumar, Dr. R T S Naik, Dr. Rahul Lath**

Time	Topic	Speaker
08:00 - 08:08	Atlanto axial dislocation; management options and prognosis a single center review	Dr Mohit Gupta , Jaipur
08:08 - 08:16	Evaluation of postoperative outcome of posterior stabilisation procedure for atlanto axial instability	Dr Ankush Supriya , Visakhapatnam
08:16 - 08:24	Surgical outcome for complex craniovertebral junction anomalies: role of preop 3d multiplanar planning	Dr Vikrant Keshri , Surat
08:24 - 08:32	C1- C2 fixation over 'occiput - C2' fixation in complex cv junction anatomy	Dr Arvind Kumar Suman , Rae Bareilly
08:32 - 08:44	Evaluation and Planning of CVJ surgery	Dr Shradha Maheshwari , Mumbai
08:44 - 08:56	C1 C2 screws - technique and indications	Dr Asheesh Tandon , Jabalpur
08:56 - 09:08	Minimally invasive C1 C2 - future of CVJ surgery	Dr Arvind Bhateja , Bengaluru
09:08 - 09:20	CVJ how we deal with O Arm	Dr Shishir Das , Kolkata
09:20 - 09:32	Status of Posterior CVJ Surgery	Dr S S Kale , New Delhi
09:32 - 09:44	Status of Anterior CVJ Surgery	Dr Christopher Gerber , Kolkata
09:44 - 09:52	Operative Management of Sandwich Craniovertebral Junction with High-Riding, anomalous Vertebral Artery A Single Surgeon's Experience of the Technique	Dr Ashutosh Kumar , Lucknow
09:52 - 10:00	Outcome of Surgery with extradural FMD and atlanto axial fixation with FMD and duraplasty	Dr P Hemanth , Hyderabad

Session 2: CVJ-II

Moderators: **Dr. Pratap Kumar, Dr. B K. Ojha, Dr. Subbaiah Thiruppathy**

10:00 - 10:08	Vertebral artery mobilization for C12 reduction and fixation in posttraumatic AAD with anomalous vertebral artery	Dr Arun Gowda Keelara , Rae Bareilly
10:08 - 10:16	Our recent experience with Type 1 Chiari Malformation a persistent challenge.	Dr Venkata Rajeev Mandagiri , Hyderabad
10:16 - 10:24	Chiari 1 malformation - ? Do we need to fix it; our institutional experience	Dr Saranraj M K , Chennai
10:24 - 10:36	Chiari Malformations - Current Views	Dr JKBC Parthiban , Coimbatore
10:36 - 10:48	Recurrent CV Junction surgery: Challenges and NIMHANS experience	Dr Nupur Pruthi , Bengaluru
10:48 - 11:00	Bow Hunters syndrome	Dr Roopesh Kumar , Chennai

Session 3: Twin Talks

Moderators: **Dr K V R S Sastry, Dr R T S Naik, Dr J K B C Parthiban**

11:00 - 11:12	Instrumented fixation for the degenerating lumbar spine yes/no	Dr TV Ramakrishna , Hyderabad
11:12 - 11:24	Multilevel fusion for severe multi level lumbar canal stenosis what is optimal	Dr Vamsi Krishna Y , Hyderabad
11:24 - 11:36	Anterior approaches to the Thoracic and Lumbar Spine - a forgotten art?	Dr Krish Sridhar , Chennai
11:36 - 11:48	Role of Sagittal Balance in Spondylolisthesis	Dr Umesh Srikanta , Bengaluru
11:48 - 12:00	When and how much to reduce spondylolisthesis.	Dr Krishna Sharma , Kathmandu
12:00 - 12:12	How to manage pain post Lumbar Surgery	Dr Ashis Pathak , Mohali

Session 3: Twin Talks		
Time	Topic	Speaker
12:12 - 12:24	Complications in Lumbar disc - prevention and management - tips from my 42 years of experience	Dr S V Ranga Rao , Vijayawada
12:24 - 12:36	Instrumented Decompression for degenerative Lumbar Canal stenosis in the elderly with comorbidities to improve QOL	(Brig) Dr H S Bhatoe Mohali
12:36 - 12:48	Using pain injections to plan surgical intervention in degenerative spine diseases	Dr Amit Thapa , Kathmandu
12:48 - 13:00	AI in spinal decision making	Dr Komal Prasad , Bengaluru
13:00 - 14:00	Lunch Break	
Session 4: Spinal Tumors-I		
Moderators: Dr Malleshwar Rao, Dr Jagadeesh Reddy, Dr Mastan Reddy		
14:00 - 14:08	Extradural Spinal arachnoid cysts - Rare entities	Dr Kritika Garg , Mumbai
14:08 - 14:16	An unusual cause of cervical radiculopathy	Dr Vijayasaradhi , Hyderabad
14:16 - 14:28	Biology of Spinal tumors: how are they different from brain	Dr Amitav Ray , Hyderabad
14:28 - 14:40	Microsurgical excision of spinal cord tumors	Dr Laxminadh Sivaraju , Hyderabad
14:40 - 14:52	Optimising technology of Intramedullary tumors	Dr Batuk Diyora , Mumbai
14:52 - 15:06	Matryoshka Doll Phenomenon	Dr Dibyajyothi Mahakul , New Delhi
15:06 - 15:18	Pitfalls of Intramedullary tumor Surgery	Dr Suresh Nair , Trivndrum
15:18 - 15:30	Mgmt of IDEM with root preserving surgery	Dr Sangita Biradar
15:30 - 15:42	Vertebral hemangiomas with myelopathy treated with absolute ethanol embolization and single level fixation (video)	Dr Sarat Chandra P , New Delhi
15:42 - 15:54	Is intraoperative neurophysiology monitoring useful for IDEM tumours (Video)	Dr Pragnesh Bhatt , United Kingdom
15:54 - 16:00	Tea Break	
Session 5: Spinal Tumors-II		
Moderators: Dr Chandrashekhhar Naidu, Dr Sandeep Manda, Dr TV Srinivas		
16:00 - 16:12	Encountering Rare Cystic Lesions of Spine	Dr Punith Trivedi
16:12 - 16:24	Spinal Arachnoid cysts- A case series with detailed review of literature	Dr Amit Thotakura , Nellore
16:24 - 16:36	Spinal idem tumors principles of micro surgical management	Dr Suresh Dugani , Hubali
16:36 - 16:48	Preserving spine in spinal cord tumours	Dr Deepak Das , Cuttack
16:48 - 17:00	Avant-Garde- Management of Spinal tumors- our institutites experience focussing on Neurophysiological monitoring, surgical resection and Functional outcomes	Dr Abhirama Chandra Gabbita , Hyderabad
17:00 - 17:12	SBRT in Spine	Dr T Pratap Reddy , Hyderabad
17:12 - 17:24	Clinical Characteristics and Treatment Outcomes of Long-Level Intramedullary Spinal Cord Tumors A Consecutive Series of 17 Cases.	Dr Sumit Raj , Bhopal
17:45 - 18:30	KIMS Alumni Meet	
18:30 - 20:30	Inauguration, Cultural Performance	
18:30 - 19:15	Cultural Program - "Chorea" - KIMS Alumni	
19:15 - 20:30	Inauguration Ceremony and NSSA Felicitation Ceremony	
Inaugural Dinner - Peacock Hall, Hotel Marigold		

20th September 2024

HALL - B

07:30 - 08:00

JOSS Editorial Board Meeting

Session B1: Cervical - I

Moderators: **Dr Chittij Srivastava, Dr N Muthukumar, Dr G Prabhakaran**

Time	Topic	Speaker
08:00 - 08:08	Predictors of clinical outcomes in cervical spondylotic myelopathy	Dr Senthil Kumar Karunamoorthy , Madurai
08:08 - 08:16	An institutional study of outcome of clinical and neurophysiological parameters of Cervical compressive myelopathy patients	Dr Arpit Goel , Jaipur
08:16 - 08:28	Validation study of sagittal balance correction in cervical compressive myelopathy	Dr Swetha Pendyala , Hyderabad
08:28 - 08:40	Role of spinal DTI in predicting surgical outcome in patients with Cervical compressive myelopathy	Dr Arun Kumar Sekhar , Bhubaneswar
08:40 - 08:52	Different types of CT Myelogram For identifying CSF leaks in intracranial hypotension in spinal imaging	Dr Ananthram G , Hyderabad
08:52 - 09:08	Multilevel cervical arthroplasty	Dr Oscar Alves , Porto
09:08 - 09:20	ACDF in varied etiology	Dr Vishwanadh Sidram , Bellary
09:20 - 09:32	Anterior Cervical Arthrodesis - An Innovation	Dr S N Madhariya , Raipur
09:32 - 09:44	Cervical Spine injury Our Institute Experience	Dr Sugat Wasekar , Mumbai
09:44 - 09:52	Cervical Facets screws a alternative for posterior stabilisation	Dr Yasaswi Kanneganti , Manipal
0952 - 10:00	Anterior Cervical Corpectomy and Fusion for Spine Disorders An Institutional Experience.	Dr Jitendra Tadghare

Session B2: Cervical II + Cervicothoracic Junction

Moderators: **Dr Ramakrishna Chowdhary, Dr S Madan Reddy, Dr. Nagaraju Reddycharla**

10:00 - 10:12	Complex Cervical Kyphosis - case based discussion	Dr Sachin Borkar , New Delhi
10:12 - 10:24	Surgical treatment of degenerative cervical spondylotic myelopathy- from only decompression to only fixation	Dr Apurva Prasad , Mumbai
10:24 - 10:36	Dilemma of cervicodorsal junction management	Dr Syed Ameer Basha , Hyderabad
10:36 - 10:48	Management of Cerviothoracic Tumors/TB	Dr Karthigeyan M , Chandigarh
10:48 - 11:00	Cervicothoracic Trauma	Dr Vasundara Rangan , Hyderabad

Session B3: Thoracolumbar

Moderators: **Prof Ashwani Kumar Chaudhary, Dr. Sonilal, Dr. K Chandrashekhar**

14:00 - 14:08	Dural ossification in ossified ligamentum flavum	Dr Lakshmi Prasad G , Manipal
14:08 - 14:16	Short Segment Fixation with intermediate screws for thoraco lumbar burst fracture Prospective study	Dr Raju Paul Manjooran , Tiruvalla
14:16 - 14:24	My most complicated cases	Dr Sudhanshu Rewatkar , Sangli
14:24 - 14:32	Role of MRI and FDG PET CT in identifying pain generators in patients with chronic low back pain	Dr Umamaheshwar Edulla , Hyderabad
14:32 - 14:44	Outcome of fenestration versus laminectomy discectomy in patients of lumbar disc herniation	Dr Himanshu Raval , Ahmedabad
14:44 - 14:52	Dynamic Stabilization Of Lumbar Disc Space Using Semi-expandable Cage	Dr Mazharkhan Mulla , Mumbai
14:52 - 15:00	Challenges in redo surgery for lumbar spine pathology	Dr Aniruddha Kulkarni , Hubali
15:00 - 15:12	Complications of thoracolumbar fusion	Dr Jagath Lal G , Aluva
15:12 - 15:24	Spine surgery in the 8th and 9th decade	Dr B S V Raju , Hyderabad
15:24 - 15:36	Sequestered disc - diagnostic masquerade	Dr Satyakam Baruah , New Delhi
15:36 - 15:44	Pseudo-hypoxic brain swelling	Dr Mihir Chawda , UK

Session B4: Deformity/Miscellaneous

Moderators: **Dr NVS Mohan, Dr Sharanabasappa, Dr Sajesh Menon**

Time	Topic	Speaker
15:44 - 15:56	Management of complex spinal deformity (kyphoscoliosis) - A neurosurgeons prospective and sharing the experience	Dr Biswaranjan Nayak, Bhubhaneshwar
15:56 - 16:08	Management of Spinal Fractures in Ankylosing Spondylitis	Dr Prasad Krishnan, Kolkata
16:08 - 16:20	Posterior only Vertebral Column Resection VCR for Kypho-scoliosis Our Experience	Dr Venkat K, Thirupathi
16:20 - 16:32	TBD	Dr Sajesh Menon, Kochi
16:32 - 16:44	Long term prospect of syringopleural shunting for syringomyelia - an institutional review	Dr Raghavendra H, Hyderabad
16:44 - 16:56	Management of nonsurgical spinal infections of varied etiologies	Dr Sujit Kumar, Hyderabad
16:56 - 17:04	Intradural extra-arachnoid lumbar disc herniation- A case report and surgical illustration	Dr Amit Padwal, Barsi
17:04 - 17:12	An institutional experience on surgical management of thoroco-lumbar injuries	Dr R Saravana Santosh Kumar, Chennai
17:12 - 17:24	Management of pathologies involving the dorsal spine	Dr Debabrata Patra, Mumbai
17:24 - 17:32	Percutaneous Vertebroplasty, a treatment option for traumatic, non-osteoporotic vertebral compression fractures	Dr Ganesh A, Madurai
18:30 -20:30	Inauguration, Cultural Performance (Hall A)
